Quambie Park News**Dinosaur Concert**

On the 2nd of July 2013 – Pam Corker House residents were treated to a special concert from the grade one students of Waroona Primary School. The theme for the concert was Dinosaurs. The children presented a wonderful show of song and theatre as they sang and entertained the residents and staff with their take on Dinosaurs, with some scary Dinosaur masks and costumes. Some of the Dinosaurs even played a mean guitar. All of the residents enjoyed and have commented on how lovely it was for the students and teachers to attend Pam Corker and share the concert with them. The residents also received a handmade card from the students and got to meet the performers at the end of the concert to thank them in person. The residents would like to extend a welcome invitation for the Students to attend and share future performances and thank them for their Concert.

Happy Birthday to the following people who celebrate their birthdays in August:

**ALCOA Volunteer Garden Crew**

Quambie Park Retirement Village garden and grounds facing Henning Street received a well deserved makeover by a welcome crew of ALCOA Volunteers. The team of Volunteers arrived with a mission-transform a couple of garden beds with some native plants, and plant some olive and citrus trees. True to form, the crew worked through what was to be an unpredictable day of rain and more rain.

Quambie Park Waroona Inc . gardener Jim Hook supported the volunteers group program by making sure all the required plants, soil improver ,food and refreshment were available for the busy team of workers. On behalf of Jim and Quambie Park we would like to extend a huge thank you to The ALCOA volunteers for their time, support and great outcome. The gardens look wonderful and add a special view for the Retirement Village residents and general community.

Local Drummer has Success

Local 15 year old drummer, Dylan Conroy, recently competed in the Bunbury Eisteddfod with a high level of success. From his five entries, he received four firsts and one second. Two of his entries were in the open section, which is for 16 years of age and older and open to both amateurs and professionals. Two of his entries were also for his own music composition. Dylan was then invited to attend the Gala Concert and Presentation night, where he received the U16 Percussion Aggregate Award and the Daisy Harries Life Member Encouragement Award. Dylan is studying Music at MCC and plans to continue onto a career in music after school and hopefully WAAPA. Dylan has recently started his own business aimed at teaching beginners how to play the drums. Lessons are available on Saturday mornings and bookings can be made through Drumworks on 0447 022 940.

ALCOA WAROONA SUSTAINABILITY FUND

Applications are invited from enthusiastic and dedicated persons from the community to fill two (2) positions as community representatives on the newly formed Alcoa Waroona Sustainability Fund Advisory Committee. The Advisory Committee will be responsible for administering the 2 funds which make up the Alcoa Waroona Sustainability Fund (AWSF) which currently totals approximately \$1.2m.

The Committee will have the responsibility of developing guidelines for grants and making recommendations for successful grants to the Shire of Waroona for final approval.

A guiding principle of the fund is that the fund is to be used for one-off, innovative, larger community development type projects that make a net position contribution to the sustainability of the region surrounding the Wagerup refinery, with a focus on the areas of Waroona, Lake Clifton, Preston Beach, Nanga Brook, Wagerup and Hamel.

Prospective applicants need to be aware that they may be called upon from time to time to make difficult decisions when it comes to analysing large-scale projects and making recommendations for funding.

The committee, once fully operational, anticipates meeting 2 to 3 times per year.

Application forms and further details are available from the Shire Office or on the Shire website

www.waroona.wa.gov.au .

Completed applications are to be received by no later than 4pm on Wednesday 14 August 2013. Applications can be submitted by post, email or handed to:-

Thank you to all of the wonderful people who answered our appeal for blankets, doonas and warm clothing. We appreciate your help. Special thanks to Coral's Knitting Ladies for their donation of crocheted and knitted rugs. The Shop is most grateful for your donation of the knitted scarves. The Shop is still in need of volunteers so if you have been thinking of doing something now is your chance either stop in and see the Manager or ring on 9733 3057. Welfare clients you can receive help by making an appointment through the shop. We see and interview clients on Wednesday mornings. If you are a Senior and receive a Government Pension or are receiving a Disability Pension we now have the application forms for the Foodbank in Mandurah. Put your name down for an appointment as your application needs to be signed and stamped by a Welfare Organisation such as St Vinnies. Come in and inquire and we can give you the information.

Rural Ambassador Award

Supporters, families, along with Agricultural Societies from the South West gathered on June 29th at the Dinninup Hall to watch the finals of the Rural Ambassador award.

The award is open to young men and women between 20 and 30 years of age who have an Agricultural background or affinity, who would like to further networking, communication and promotion of youth in the Agricultural Sector, and enjoy a challenge.

Local farmer Anthony Snell represented Waroona, commencing with an initial trial final and dinner held at the Drakesbrook Tavern. At the finals, Anthony and three other South West representatives presented judges with their resumes, delivered a two minute speech on a rural topic of their interest and then were questioned on issues facing Rural Australia today.

Supporters were entertained by a fashion parade, a local choir and an Australian Bush Poet whilst the entrants were being judged. Anthony spoke of his involvement with his families Beef farming operations both

in Waroona and at Wongawol and Carnegie Stations in the north. He then stated his concern over the divide of understanding between city and rural backgrounds and the need to broaden the city knowledge of rural concerns through social media.

The South West finals were won by Jessica Sheehan from Donnybrook, however Anthony's farming knowledge and experience were obvious through his meaningful speech.

Anthony is the Rural Ambassador for the Waroona Show and amongst his other community involvement, will be, as his family has done for many years, assisting with the many helpers at the 2013 Waroona Show on October 12th.

Congratulations Anthony!

Writers Corner with Jeannette Hornby

Contemporary writing is a composition that is set in the 'here and now'. This is where the setting, characters, and dialogue are modern. For example, in a contemporary setting we would have the technological advances of the day. These would include cars, telephones, and computers to name a few. The characters would dress in modern clothing such as jeans and sneakers, and would possibly have piercings, modern hairstyles etc. The dialogue would carry the popular sayings of the day, common words, euphemisms and expressions, such as 'whatever', 'no problem', 'babe', 'what-the-hell', 'Google', 'LOL' etc. All these things need to be taken into consideration. It is easy to revert to the speech an author may have used in a different era, so the writer needs to be vigilant in these matters when writing a contemporary story.

RED SHIELD APPEAL THANK YOU

Our thanks to everyone who donated to the 2013 Red Shield Appeal here in Waroona. A grand total of \$2,612 was raised.

this generous community of ours can be justly proud of their compassion and big heartedness. Thank you also to the people who volunteered their time to collect around town. Your willingness to assist is invaluable. The people who helped with the collecting met with friendliness and some wonderful stories of how the Salvos have helped in peoples' lives.

NULSEN

Nice to see a bit of rain, it certainly makes a difference around the place. We, NULSEN are having a Birthday on 14th August, members are asked to bring either Sandwiches or Sweets, whichever you have already pledged to bring, also, if you have anything suitable for a raffle, please bring along, this should be a great day, looking forward to it. Perth are bringing some of the staff and also residents along for this celebration. Lunch is at 12noon, if you can come along earlier to set up tables it would be appreciated, many thanks.

If you are new in town and want to know what NULSEN is about, our meetings are on the second Wednesday of every month, the meeting starts at 12.30pm. We have Bingo after each meeting, this is to raise funds for Nulsen.

CORAL'S CHARITY KNITTERS

Due to the recent cold snap in the weather, there has been a call for scarves and beanies so our ladies have

been busily knitting scarves for Vinnies as well as beanies for the new babies at Peel Health Campus. Thanks go to Yvonne, Ella and another lady whose name we did not catch. Please let us know who you are! All these beanies were made from the pattern published in Last Month's Despatch. Judy gave us a very interesting talk on the work of St Vinnies in general. We never realised just how much call there is for help in

the community, yes, even in small country communities such as ours. Times are proving difficult for many people. To help us help others we still need donations of wool (8ply is our favourite) and fibre fill which can be left at the library.

In September we are having a talk by Suzanne Hunter on the work of the Strong Angels, a group in Gelorup who support an orphanage in Bali. Her website

strongangelaus@yahoo.com.au tells us of the great work they do there. Donations of children's wear, household linen and school supplies are very welcome.

WAROONA CREATIVE ARTS CENTRE

We recently farewelled one of our very much loved members, Bobbie Plotecki. It was with great sadness we attended the service held at St John's Anglican Church and it was our privilege to host the luncheon for her family and friends who came from Perth and the Eastern States to say their farewell. Bobbie was a member for many years and President until her illness caused her to leave Waroona. As "Mrs Polly," she was very popular with the children in our after-school classes in recent years. We extend our sympathy to her children, grandchildren and great grandchildren – they have lost a gentle, loving nanna. We have lost a gentle friend.

Waroona Pensioners Social Club

Our July meeting was our AGM and Eileen Doran our President, announced her retirement after 22 years at the helm, so she did not stand for re-election. She did, however, agree to take on the position of Vice President for 12 months to ensure a smooth transition. Eileen will be a hard-act to follow but our new President, Dot Hansen, who has been our very able Secretary for 7 years, will we are sure, soon settle into the job. The new Secretary is Grace Lay and Jan Lepper was re-elected unopposed to the position of Treasurer. Eileen thanked the club members for the support and respect they had always shown her. Our monthly Bingo on the last Friday of the month at the Senior Citizen's Centre starting at 1.30 p.m. will continue and everyone is welcome to

attend. You do not have to be a Pensioner's Club member. It would be good to see some new faces there. Money raised helps finance our outings. The Casino trips are also open to everyone so if you'd like to come along for a good day out, look for the date of the next trip in the next edition of the Drakesbrook Despatch. Dot Hansen will still organise the Casino trips so for more information ring Dot on 97331892.

Our Christmas in July dinner is on 29th July and is being held at the Waroona Country Café. The Drakesbrook Despatch will have already gone to print by then so a report of that next time.

Anyone needing more information about the Pensioners Social Club or the monthly bingo, please contact Grace Lay (Secretary) on 97331950.

Waroona Historical Society News

Do you ever wonder how our local roads get their name and what is the story behind the name?

We recently learnt more about where the road name Wingate Vista originated when we received an enquiry from the great-great granddaughter of John Sutton. Wingate was the name of the property owned by John and Betsy Sutton of Burney Road in Hamel. John Sutton was the first secretary and a member of the Drakesbrook Settlers Association which later became the Drakesbrook Road Board and in that capacity was never backward in expressing his opinions. Mr. Sutton took part in almost every movement that would contribute to the prosperity and progress of this district, also being a local preacher for the Methodist Church. John was also a keen apiarist and so named his farm Wingate Bee Farm. John became the State's first bee and apiary inspector for the WA Agriculture Bureau and presided as a honey judge at the Royal WA Agricultural Society Show in the early 1900's and also travelled the suburbs giving talks on bee keeping. The Waroona Historical Society now has two photographs to add to the collection thanks to his great-great granddaughter – a portrait of John and Betsy and a scene of bee hives at Wingate Bee Farm. Both pictures can be found on our Facebook Page and also the Society's website - <http://waroonahistsoc.myclub.org.au>

First Aid Course

Our next Apply First Aid Course being held on Tuesday the 6th and Wednesday the 7th of August, 8.30 am to 4.30 pm both days at a cost of \$199.00.

SENIOR CITIZENS

Wow, what a week, according to our rain gauge, we have had almost 75mls of rain, that's great news, the dams should be looking a little fuller with this, hope so.

On the 31st July we are having our A.G.M, all members are requested to come along, the meeting starts at 1.30pm sharp. Bingo will follow.

All of our Members that have been unwell, hope you are on the mend and hope to see you soon.

The "Jim Hull" Waroona Contracting and Services reunion held on Sunday, June

16 at the Waroona Hotel was a great success. Our many thank go to Stan Cox, Bill Davis and Jenny Littlejohn for getting the ball rolling five years ago. We all had a memorable day meeting work mates, looking at photos and sharing memories and in

Jim Hull Reunion a Great Success

some cases adventures. Vickie Cooper, Don Murphy's daughter, brought along daily time books and pass for Alcoa's Pinjarra site. Working days and conditions were clearly very different. Don's books and the many photos prompted our memories including one of Denis Farrell's photos taken in 1963 on Johnson Rd, Yarloop of a CAT D7 dozer that had slipped off a bogged Atkinson Prime Mover (Les Wood). They had been trying to pass a

bogged Hines log truck. Les's Quad Log Loader was used to shift the dozer. Denis did not leave is contact details if you know where he is please tell Jenny or Phillipa.

I've looked at the 2015 calendar and have pencilled in mid-March of that year for the next reunion of WC&S. Keep in touch with each other, Jenny and I will of course remind you all to come again with family and friends. Phillipa

Australia's Biggest Morning Tea a Great success

What a day!
What a great crowd! Good on you Waroona for your awesome spirit in giving towards the

Cancer Council WA. My friend Fiona Wells who passed away two years to the date of our BMT, would be so happy to see how far we've come. This year we choose to do our BMT at the Waroona Farmers Market due to the success at my home last year raising a wonderful \$7500 – Mohawking in Memory of Fiona Wells, and hoping to get more people to the Local Farmers Market, to make it a 'Win/Win' situation for everyone, the Lions Club kindly donated their trailer and crew for the Big Breaky with volunteers Linley Young, David Battye, Gail Black and Glen Millier. We also had a mulch raffle which was won by Lisa Carrati and wine raffle won by Roly Richardson (hot-rod-der). We also had The Biggest Morning Tea in the hall. This was run by my sisters Shirley Ducker, Denise Eade and friend Barbara Hunt who catered for a nice crowd. Also thank you to the wonderful people who made cakes and all the yummy goodies, on top of all this we had a truck load of native plants donated by WA Horticultural Services. All proceeds from BMT, Lions trailer, Raffles, Cakes and Trash n Treasure raised a wonderful \$3000 on the day, with another \$1500

Glen Millar, Denise Eade, Barbara Hunt, Julie Rowles & Shirley Ducker

on line donations and pledges making a wonderful success of \$4500.

I would also like to say thank you to all the Hot Rodders who brought their cars to show on this very cold but Sunny morning, all the people who donated part proceeds from their stalls, Waroona Tourist Centre and Post Office for the donations to the BMT Raffle. Also all the volunteers and everyone who joined the spirit, and local papers and radio who advertised this event. These events are not only about Fund Raising for a cause, but it is also about Community Spirit and once again I Thank you Waroona for your help.

Also a reminder to everyone who didn't come to the Farmers Market last month, please try to go this month it's worth the visit for the whole family, there is so much there Breakfast, Conserves, Pickles, fruit and vegies, gifts, really cool handbags and hair

pieces, jewellery, candles, a man that makes cool stuff out of recycled things, body wraps, embroidery work, baby goods, trash n treasure, ice cream, cactus lady, Lena Deleo the list goes on!

Why I do this was a question a friend asked. I started doing this with a friend Fiona Wells when she first got Lung Cancer in 2009, Fiona saw how much the Cancer Council helped her with her illness and approached me to do a Big Morning Tea together. Since both of us don't do anything by halves we did a Trash n Treasure and BMT and raised over \$2500. The next year Fi wasn't well but we proceeded with the cause raising \$1200, Fiona later passed away on the 7th July. Last year my friend was gone, but I decided in memory to go hard at my home with Hot rods, BBQ, BMT AND Mohawking raising a whopping \$7500. Since my friend got Cancer it has opened my eyes to all the people around us that have been touched by cancer and the help that is needed. Our Government doesn't fund everything and an illness like this can be so draining on families in so many ways, so for me I do this, as I can't walk away and stop helping our friends and families around us. Donations and Comments can still be made to <http://wa.cancercouncilfundraising.org.au/thinkpinkforfriendsandfamily2013>.

Many thanks to the Waroona Uniting Church for their donation of \$500.00.

Please continue to support us with collecting old mobile phones and recycling them in the collection boxes which are located at the Waroona Post Office and the WDHS front office.

We have nearly reached 400 but still need to continue to collect old mobiles to achieve the highest possible payment and to keep them from going to the tip. Our Term Deposit is steady at \$47,914.95.

THANK YOU TO OUR AMBULANCE VOLUNTEERS

Over the past few years I have had to call our ambulance in the early hours of the morning and taken to Peel Hospital. At 3.30am this morning 3.30a I fell out of bed. After much laughter and my partner trying to pick me up I had to call our ambulance again laying on the floor for nearly 1hr. This big burly bloke Big Pete and another volunteer (sorry cannot remember your name) got me up within 10 mins and all was ok, nothing broken. A big thankyou to all you people who volunteer and get called out of your beds. Pete, yes I am sore all over today.

Anglican Op Shop

Thankyou to all the people who donated vacuum cleaners to us. We are still trying hopefully to raise funds for our new op-shop. We help many people with really cheap clothing and nic-naks. Also we have kind word and a hug for those in need of some T L C. We have outlets for childrens and baby clothes to orphanages and schools in Uganda. Also to the mission for Seaman in Bunbury and Fremantle. We even donate old jeans to help start the steam trains. We are not just a group of ladies who volunteer in an old tin shed. Donations toward our new op-shop would be very much appreciated. Please ring Lyn on 97331672 or drop in and see her.

Building a Tradition – 4th Annual Foodbank Run Set to Begin

For three years now, Nationals' Member for the South West Region Hon. Colin Holt has done an annual Food Drive for Foodbank WA. Travelling from Mandurah to Albany collecting food donations and delivering them to local Foodbank Branches. Delivering more than 7 tonnes of food – the equivalent of 11,000 meals.

These donations have proven to be making a tremendous difference, directly helping members of our own community. Last year saw a fantastic response from the South West community; the donations provided a much needed boost to the supplies at Foodbank depots across the South West Region.

Preparations have begun for the fourth Run, Foodbank will soon be delivering the bins to local stores in your area – look out for the large maroon bins at your local store. Every donation makes a difference; even a tin of soup is truly appreciated.

Other businesses are also providing essential support for the run, this year the team at **Classic Hire** have generously donated the use of one of their trailers for the duration of the run.

In September, I will drive around and collect the bins, delivering them to the nearest Foodbank branch.

"I call on anyone who is able to, to please help this worthwhile charity."

Anyone wishing to contribute can contact Mr Holt's Office on 98417144 to find out more information.

Foodbank WA is the pantry for the welfare sector and in partnership with over 1200 agencies it delivers hunger relief to people state wide. It also operates life changing health programs including the Schools Breakfast Program which provides a healthy breakfast to more than 15,000 students every week. Each month 55,000 Western Australians receive food that has originated from Foodbank WA. Many of the beneficiaries of Foodbank are located in regional WA and our support will help many families.

For additional information on Foodbank please visit <http://www.foodbankwa.org.au>

"We all know the importance of helping our community look after their own," Colin said.

Backyard Buddies

Your monthly guide to animal and plant pests, diseases and weeds

Animal trackers Part 1: Livestock identification

Some small landholders who own, say, just a riding pony or a pet alpaca may believe they are exempt from the livestock ownership and identification regulations under the Biosecurity and Agriculture Management Act 2007, or they may not even be aware of the legislation. All livestock owners, even of a single animal, must register as such. They will be issued with a card containing their Property Identification Code (PIC) for the property where stock is kept and where their allocated identifiers may be used. To register, contact the Brands Office on 9780 6207 or email brands@agric.wa.gov.au

Making your mark

The types and where an identity tag is placed varies between different animal species. Animals must have identification tags before they leave the property of birth or before they reach a specified age.

Stud animals may be identified with the approved Breed Society mark applied as per that society's guidelines rather than with their registered brand or earmark.

Alpacas and llamas must be identified by age six months or before leaving the property of birth, with either an ear tag imprinted with your brand or with your earmark.

Cattle and buffalo must be branded **or** earmarked before they leave the property or by six months of age. The brand, if used, must be either a fire- or freeze-brand on the left rump or shoulder. Buffalo may be fire-branded on their horns. All buffalo and cattle must have a National Livestock Identification System (NLIS) electronic device in their right ear before movement from a property. Movement of cattle or buffalo on to your property must be recorded on the NLIS database.

Sheep must have ear marks by weaning or the age of six months, or before they leave the property. They must have an NLIS ear tag imprinted with the owner's PIC or registered brand. It is advisable to tag lambs at marking.

For sheep born on the property, use a year of birth colour tag in the opposite ear to the earmark. For sheep brought on to the property, use a pink tag attached on the same ear as the earmark before transporting but it is recommended you tag on arrival.

Goats must have an NLIS ear tag imprinted with the PIC or owner's registered brand by age six months or before they leave the property. Stud dairy goats are exempt from NLIS identification if already identified with the approved Breed Society mark.

Movement of sheep or goats on to your property must be recorded on the NLIS database.

Deer must be either branded with an ear tag in the designated ear, or be earmarked.

Horses should be fire- or freeze-branded on the left shoulder. If a horse is already branded when purchased, you do not have to re-brand.

Pigs over 10 weeks of age must be identified with a pig slap brand no more than seven days before leaving the property. The brand is placed on the left shoulder if the owner has bred the animal or on the right shoulder if the owner is not the breeder.

Registration and identification of **ostriches** is optional. However, if owners are registered and wish to identify their birds, this must be done by using a neck tag or a leg band embossed with the registered brand or Breed Society mark.

For further NLIS information email nlis@agric.wa.gov.au

Register for reliability

Identification of livestock assists with returning stray or stolen stock and in the tracing of animals as they are moved from one property to another. Should a disease breakout occur, it is essential that an animal's movements can be traced throughout its life.

Registration is valid for three years, with this frequency maintaining the reliability of the register to have current property owner and stock details.

Sea to Art 2013,
A summer event
proudly supported

by Alcoa Australia and the Shire of Waroona, is held over ten days and is open to residents of the Shire of Waroona, Yarloop and Coolup. With the official opening on Friday, October 25th now is the time for exhibitors to start thinking about their entries. Categories include fine wood craft, art works in fibres and textiles, art works in fine metals, jewellery and glass, painting, drawing, sculpture and printmaking. Entries can either be for sale or for exhibition only. A morning tea will be held on Wednesday August 7th at 10 am and those considering exhibiting are encouraged to come along to meet the Gallery staff, volunteers and other exhibitors. This will be a great opportunity to get familiar with the process and to meet like minded artists and artisans. Entry forms will be available on the day and the morning tea will be held at the Waroona Visitor Centre & Gallery at 34 South West Highway in Waroona.

The Gallery is open daily from 9.30am - 3.30pm. To RSVP, or for further information, please contact Manager Tracy Goldsworthy from Tuesday to Friday on 9733 1506 or email: Visitorcentre@waroona.wa.gov.au.

Happy Birthday to all the Horses!

Returned Mail

If you have mail to return, we really appreciate it if you can pass it to us across the counter and explain what the reason is. This better ensures that the mail does not end up back at your place. If there is a problem and it is returned just thru the slots, it can be difficult for us to know what the problem was. We do understand that this is an extra burden on your time, but it should ensure that less time is wasted overall.

Mail Packaging

Sometimes when you have an item to post, it can be very confusing to work out the most appropriate packaging. The alternatives are many and varied. Your starting point should be "Am I posting a document or a parcel". If the answer is Documents, then you need to ask is it Domestic mail or International mail? Each type has a variety of envelope options (size,

POST OFFICE PATTTER

weight, pre-paid, registered etc). If the answer is Parcel, the next question is the same as for the documents, ie. Is it domestic or international and a gain there is a variety of purpose made packaging. So when does a 'document' become a parcel....once it is over 500gms in weight and more than 20mm thick. Post office staff are more than happy to assist you with your selections. Choosing the wrong packaging and writing on it can be an expensive mistake!

Bookings Please - reminder

Just a reminder that for those identity interviews that the Post Office is authorized to conduct, we appreciate it if you can make an appointment booking. This can be done online, or customer care will book it for you if you call 131318. We can also take bookings across the counter.

Appointment hours are between 10.am and 3.30pm. Doing this helps us manage things better for all our customers. Thanks for your support with this.

Mail Munchers

It's a good time to do Winter maintenance on your letterbox. With lots of rain about, your mail can get a bit soggy if water gets in your box. Mail is also very delicious for snails about right now, so its good to take precautions to deter them where possible! Have you spotted Sharon? Some of you may have thought you were seeing things this week when our previous Postie Sharon took to the bike again! Sharon says there were already a few cobwebs she had to dust off but she is happy to be helping Robyn out now and again. Don't forget to give her a wave! Happy thoughts to all for August.....Nearly Spring! From the Post Office!

Lions Club of Waroona Changeover Dinner

Waroona Lions capped off a successful year with their annual Changeover dinner which

saw the installation of a new President to head up an experienced and dedicated Board. Patrick Deleo will lead the club in the coming year with Secretary Colin Oliver and Treasurer Gary Witney both fronting up for their second year in the roles. Outgoing President Kevin O'Brien wished the new board every success in the coming year and assured members and guests that the club was in good hands.

While conducting the installation ceremony, past Zone Chairman Allan Cooper paid tribute to the hard work

of the Waroona Lions in donating over \$19,000 into service projects and donations during the past year, the majority of which was spent in the local community. Over \$2400 went to the local schools, \$2000 to local individuals in need of emergency support, \$1000 to the Youth Centre, \$2500 to the Waroona Oval lighting project and \$500 to sponsor a young soccer player.

Mr Cooper was also called on to present Life Membership to club stalwart Larry Scott who has just completed 36 years of service in the club, has held most positions on the board and has coordinated many activities over the years including the Waroona Show catering and Australia Day breakfast.

Allan reminded members of the great legacy that has been gifted to the Club by past and present Life

Members and that Larry Scott now joins this celebrated group.

Waroona Lions Life members include Larry's father Bert Scott, Bill Rafferty, the late Jim Deleo, Kevin Gardner, Len Miller, Bob Slee and Ray Steinbacher.

The evening also provided the opportunity to welcome a new member into the club. Lisa Fry is well known in the community and is keen to get involved in the range of community activities the Waroona Club has to offer. Lions members greeted Lisa warmly following her formal induction into the club.

Vintage Machinery Day

The second Waroona Vintage Machinery Rally in conjunction with the Waroona Shire and the

Waroona Lions Club, will be held on the Waroona town oval on Sunday 8th. September 2013 from 9.00a.m. - 4.00p.m. This rally caters for the whole family. Dad can look at the engines, cars, tractors, motor cycles, and tools, while mum can look at all the stalls in the hall, and also outside. The children will be entertained by Helena making objects out of balloons, there will be a bouncy castle, train rides and face painting. In the Walmsley Pavillion there will be lady spinners and the Mandurah Wood Turners will be demonstrating their craft. So come and enjoy the day Hope the weather is kind to us. More information can be obtained from our website.

St Joseph's School News

St Joseph's School - Waroona is now interviewing families interested in enrolling their child/children for Kindergarten in 2014. St Joseph's School welcomes enrolments from new and old families within the Waroona Shire, we welcome all to our small community school. St Joseph's School endeavours to nurture all children to grow as confident, independent, life-long learners, enabling them to contribute to society with dignity, respect and a spirit of service. Please contact the Administration Officer, Mrs Lyn Della Franca on 97826500 to arrange an application for enrolment.

WAROONA LIBRARY BOOK CLUB

During July/August we have been reading Debbie Macomber an American author of over 150 contemporary novels and winner of many literary awards. Macomber writes mainly for the female audience. Her books encompass modern lives with the issues of relationships, romance and death. For those readers who like a story with a bit of romance you will find that the relationships in most cases lead to marriage and if there is any sex involved it usually ends at the bedroom door for the reader. Macomber has written a number of "series books" which involve people living in one location and amongst these are the Cedar Cove books (which we have been reading), another about a town called Texas, the Midnight Sons (which takes place in frozen Alaska), and another which take place in Blossom Street. As Macomber is a fanati-

cal knitter this latter series takes place around a Yarn Store in a fictional street. She has written many other stand-alone novels. Macomber's heart-warming novels are always filled with love and laughter. In the last few years Hallmark Television have begun to make the Cedar Cove books into television films with one of the leads being played by Andie MacDowell. Some of our members stated that they will read Macomber again whilst others found her a bit light, or that there were too many characters in her stories and because of this there is always a list of characters in the front of the books. Some members said that the stories weren't gutsy whereas another said that they were too complex. So if you like a modern day romance try reading Debbie Macomber, but remember if you do, try to read them in order so that you are able to keep the story lines and characters straight although this is not strictly necessary. Meanwhile until next Book Club.- HAPPY READING.

When will my Pullet lay? By Kellie De Rosa RVN

Size, breed and maturity affect age of lay. On average pullets will lay at about 21-26 weeks of age. Slow maturing breeds can take up to 32 weeks. It takes a hen 24-26 hours to form an egg. The amount of eggs laid varies tremendously between breeds with other factors such as health, stress, weather, feed quality and daylight all playing a role in egg production.

One important point to remember is that a Hen that runs out of water for as little as 4 hours may not lay another egg for 6 weeks. Water is extremely important for egg production.

Can you tell if your hen is laying?

Yes, she will have a red waxy comb and her feathers maybe a little dull as she is putting lots of energy into eggs and not into plumage. If you look at her vent it should be moist/pink. If she is not laying, her comb will be pale, her vent will look dry and her pubic bones will feel sharp.

What about hens that won't lay?

Some hens are better producers than others. Assuming that you've already

done your research to figure out which hen best fits your expectations for egg laying, we can move on to some other factors.

Diet: On the diet issue, make sure your girls are receiving a good complete feed like a "laying" feed. This usually comes in either a pellet or crumble. Despite what a feed store may tell you, scratch mix or wheat isn't a complete feed. A complete feed on the other hand will not only have the sufficient protein for layers, but also a vitamin/mineral package. The feed should be fresh, so that the nutrients haven't degraded. Remember these are the building blocks of eggs. Also to produce good eggs your hens require calcium in the form of shell grit.

Lighting: The success of your laying "team" also depends on lighting. To keep up good production, hens depend on 14 hours a day of light. That's why so many people find their hens shut down their laying in the winter; because of less daylight hours. You can 'trick' hens by turning on lights in the coop in the morning to make up a full 14 hour daylight day. Most people just wait and let the girls have a well-earned rest

Environment:

Sometimes the girls will decide that conditions aren't right for egg laying despite your good feed and proper lighting. Sometimes they feel too vulnerable while laying and so they just don't lay. You can help alleviate their shyness by providing little "nooks" in which they can lay and also try encouraging them by putting 'fake' eggs in their nests.

Remember, your girls do not lay during times of stress like when they molt (from around April- July depending on breed, weather & age) or illness.

For those of you who don't know Waroona Veterinary Clinic has a veterinary nurse who specialises in Poultry. Nurse consults with Kellie for your poultry can be made by calling the clinic on 97331356. Kellie also offers a FREE 12 page booklet she has written herself with lots of information on caring, feeding and diseases seen in poultry; this can be picked up for free at the Clinic. This is the third in a series of articles on chicken care by Nurse Kellie; look out for more in upcoming issues.

Waroona Colts have greatly improved from the start of the season and have performed well under the guidance of Coach Rhys Newman and Club

Legend Glen Wilson. They are likely to finish in sixth spot just behind South Mandurah in fifth spot. Last Sunday they outscored Souths by two goals in the last term on the slippery Falcon Oval. Josh Commisso has had an outstanding season and played in all three grades in many different positions. He was also a member of the Peel Combined U 18 Team and an all-star in the great Southern Carnival. Josh was also a member of the State U 18 Country team as well. Damien Young has also displayed his talent by playing in the Ruck and as an attacking half back. Jayden Caratti and Rowan Gardiner have also shown their class when released from the Peel Thunder Colts team in the WAFL Competition. Mitchell Morley as an U 20 has supported his younger teammates and Jake Wilson as a running wingman has improved every game and also named in the Peel Combined Team for the great Southern Carnival. The Bury Brothers Robert and Ben earn the hard ball despite their size and Joshua Falkstrom is third in the Colts leading Goal Kicker Award with 28 goals. Kohen Hart-Cole displayed his versatility by competing in the Ruck and Key Position. This is a very young team that will continue to improve and provide Waroona Football Club with great playing stocks in years to come. Waroona Reserves lost only their second game for the season against South Mandurah by nine points last Sunday. They still lead the Premiership ladder by percentage from their nemesis South Mandurah and are in a great position to defend their first title in 42 years with their success last season. Playing Coach Rocky Caruso who played his 251st club game on the weekend is in the best form of his career and has not missed a beat since taking over as Coach in round five. His assistants Juddy Giumelli, Vince Vitale together with vice Captain Lindsay Gilbert who has experienced the misfortune of serious arm injuries have also played their roles Key Defenders Luke Hamson

Waroona Demons News - by Forward Pocket

and Ben Howell are underrated and supported by the best back pocket in the league Adam Simpson. Mathew Mortimer and Jackson Hiscock give the midfield real grunt and Alfred Angi is a goal kicking forward pocket specialist. Steve "Sav" Srhoj Goalsneak is second on the Reserves Goalkicking Tallyboard with 28 goals and brings other forwards into the game with his unselfish football. Daniel Johnson can play Ruck or a roving Centre Half Forward and has been a great mid season addition. Rhys Newman and Michael Vellacott lack nothing in skills and Grant Coxon once he learns to keep his feet will become an even more allrounded player adding to his smothering ability. Zac Indich is an improving defender and Utility player Kurt Brown gives the team options. A Key to their finals success whether first ruck Ayden Crook is on song and team discipline is maintained at all times. The team will be further strengthened when talented Colts players Josh Commisso and Damien Young become available in the finals.

Waroona League Squad is in a great position to win their fifth consecutive League Premiership title and appear to have more depth than last year. They have only lost two games for the season and which included the "Fevola Showtime" in Round 8. The Ruck is well covered with Steele Court and Mat Thomas as the "Springing Jack" backed up by Matt Atcheson and Cameron Sommerville when they become available. Adam Clancy is enjoying his best season for a couple of years and with 43 goals is sitting third on the League Goal Kicking Tallyboard and blended well with Alan "Foxy" Wilson. Rover Eli Smith is in scintillating form in his second League season and displayed that form at a higher level. Joel Catalano is back to his form of a couple of years ago and Utility Courtney Lakay Skills will be evident in the Fairest and Best Count. Liam Thomas has settled down in the backline and has allowed Rhys Bloxside freedom to move further up the ground. Dusty Roberts has covered the loss of Ben "Chief" Mathews Herald on a wing and Jayden Derosa is improving every game and especially his leg speed. Chad Peters, Ryan McKinley and Tommy Carroll are all tough hard players and when available together form the best half back line in the League. Former Coach and AFL Player Craig Callaghan and Captain Benny Wright when they come off the

injured list will be the trump cards. Aaron Payrits can play either back or forward and is running into form after a short pre-season. Clay Smith can play in the Ruck, Key Positions and showed his talent by holding Rod Tregenza to only five goals when covering for regular Full Back Ryan Court last Sunday. The South Mandurah and Goalsneak Rocket Tregenza has kicked 95 goals this season. Having Ryan Court available who is tough and dour gives coach Dean Taylor more options. Rhett Mason has returned from Peel Thunder League Squad and this talented utility player loves running, kicking goals and rebounding from defence, nothing like returning to your home town and playing with your mates. League Coach Dean Taylor still gives the midfield grunt and has a great vocal assistant John Mason running the bench which cannot be undervalued. Quinn Smith with a serious knee injury is a loss the team will have to cover as the rebounding half back flanker was in great form prior to his injury. The documentary on Win TVV earlier this year was a great story. The teams ability to both apply and defend under pressure is another fine example of why the team has done so well. After Round 15 the League Squad is in another strong position to defend their title and break another record. They need to stay mentally strong, disciplined and will to win. Pinjarra Tigers have gone on a recruiting drive and Rockingham Rams are desperate to beat Waroona so it will be the toughest test in the past five years.

Bowls has continued right through out the winter. We have only missed one Thursday afternoon

Scroungers game due to bad weather. If you are interested in playing Scroungers just come along to the Club by 2.15pm and nominate. We are usually on the green by 2.30pm and stay for a few drinks after the game. Don't worry if you haven't played much before, they are all a great group of guys and a few old chooks, all easy to get along with, very social, very enjoyable, come along and join us.

Saturday afternoon Meat pack Triples is well under way. We like teams to be nominated by Friday night. We have had between 6 and 8 teams each week. We play two games and the winning team wins the meat packs. We also have a meat raffle with a first and second prize. We normally have a few nibbles and socialize after the games. If you don't have a team, let the club know by Friday night that you are interested, as we often have teams looking for spare players.

We often have people enquiring about playing bowls, usually someone wanting to learn. This year we intend making more effort to teach beginners how to play. Starting soon we will be giving lessons to anyone who is interested. We have plenty of bowls available at the Club, a size to suit any hand. The time for the lessons is yet to be negotiated, but will be starting soon. If you are interested at all, please contact one of the following

WAROONA BOWLING CLUB NEWS

In Memoriam

Having just witnessed a beautiful memorial service to our dear friend:

Len Mason

On behalf of all his friends at the Bowling Club, I would like to offer our sincere condolences to Carol and all his family. We all learnt a lot more about Len at the service and saw many different sides to him. He will be sadly missed by all of us.

The Club Opening Day for the new season will be on Sunday, Sept.1st. This will be round two of 'The War of the Roses'. That means we need all players in attendance. If you have other plans, cancel them. We don't want the Ladies to have an excuse when they get beaten again, that several of their good players were missing. We also don't want the men to get beaten by NOT being able to field their best team. So write that in your diary and make sure you come and have a practice before hand. We are not playing for a sheep station, just man pride.
